

# Fairy Folk Trail

Welcome to our fairy folk trail, get prepared to be  
enchanted  
Ten folk are living in the park but we can't take them for  
granted  
Their homes are made with fairy dust and not for our big  
hands  
We ask that you don't touch them as there's not much they  
will withstand  
There's no starting point for this trail you can begin  
anywhere in the park  
Can't find us all? Come again another day we don't want you  
here when it's dark  
Use our trusty map, as each home is well hidden and could be  
hard to find  
Fear not there may be clues about if the fairies have been  
kind!

# Trail Map

Each door is indicated on the map by a fairy  remember the doors will be hidden so you will have to look well!

# Gary the Environment Goblin

Gary the goblin loves his home,  
The lovely green fields, lots of places to roam,  
Although many goblins like to live in a bog,  
Gary loves the park as it's free from smog,  
Too many cars on the road make the air hazy,  
Walk or cycle to the park, don't be lazy!

Put a tick next to items which can cause air pollution

# Willow the Wildlife Fairy

The woodland is a magical place  
where lots of creature's dwell,  
You may not see them in the day but at night  
we have a secret to tell,  
As the sun goes down the animals awake  
They hunt and play until the day breaks  
Willow the wildlife fairy loves to find their tracks  
Try and guess whose footprints she's found,  
the answers are at the back

**Draw a line to match the animal with the right tracks**

# Greta the Climate Change Fairy

Greta the fairy is concerned about our weather  
It's gradually getting warmer and not for the better  
The artic is melting, the rainforests are being cut down  
But don't worry there are things you can do, don't frown  
Tell your parents not to be car crazy, walk and use those  
shoes

Keep plastic bags reuse, reuse, reuse!  
Be switched on and when not using your devices unplug  
These small changes will be like giving our earth a hug!

**Create a superhero to help fight climate change**

A large, empty rectangular box with a thick green border, intended for drawing a superhero to help fight climate change.

# Connie the Countryside Fairy

The countryside is a brilliant place to explore,  
Connie the countryside fairy wants you to know more,  
Keep to the paths, with your dog under control,  
Gates should be closed wherever you go,  
Connie has one last instruction,  
Please don't light fires they can lead to destruction!

**Design a poster to explain the Countryside code**

# Sammy the Self Sufficient Fairy

Sammy loves to grow her own fruit and veg  
Her garden is her allotment, to live simply is her pledge  
It saves her money and the produce tastes so good  
Why don't you try and grow something? She'd love it if you  
would!  
Jenny the gardener keeps an eye on Sammy's patch  
Everything grows so well, she's definitely met her match!

## Fruit or vegetable?

Draw a line and guess what is a fruit and what is a vegetable

**Fruit**

**Vegetable**

# Elvin the Endangered Species Elf

Elvin looks after the animals in the wood  
You can help them too if you're good  
For all the animals to live in peace  
The destruction of their forests must cease  
When you look in the mirror what do you see?  
You're not yet endangered but if we're not careful  
there could be no future for you and me

## Dot to Dot

Complete the dot to dot to find one of the UK's endangered animals

# Marley the Meadow Pixie

Marley the pixie plays in the Houghton Hall meadow  
 Running through the long grass he's a happy fellow  
 The meadows full of cowslips, buttercups and daisies  
 When the butterflies see all the flowers they go crazy!  
 How many different butterflies can you spot?  
 Note them all down, I bet there's a lot!

- Caterpillar
- Wing
- Chrysalis
- Eggs
- Insect
- Butterfly
- Nectar

# Winnie the Wasting Water Fairy

Winnie can't stand it when water is wasted  
Here's a few tips to ensure that you save it  
Turn of the taps while you're brushing your teeth  
Have a quick shower, only five minutes then leave!  
Collect rain water in a butt and tonnes of pots  
Water your plants with it they'll love you lots!

## Water quiz

Which is the biggest ocean in the world?

- a.) Atlantic
- b.) Pacific
- c.) Indian

How many litres of water does it take to flush a toilet?

- a.) 14
- b.) 5
- c.) 30

How much of the human brain is water?

- a.) 20%
- b.) 40%
- c.) 75%

# Phoebe the Plastic Fairy

Phoebe the plastic fairy has a message for you,  
Reduce, reuse, recycle & save the planet, you can  
help too!

If you see plastic bottles on the park grounds,  
Pick them up and throw them in the bins you  
see around,

Plastic doesn't decompose so plants will  
struggle to grow,

If we all work together the plastic will  
soon begin to go!

## What can I put in my recycling bin?

Put a tick next to the items you can recycle

# Parker the Poo Pixie

Parker the Pixie hates poo,  
He's sure you do too!  
It's stinky, smelly and foul,  
He'd like it gone from the park now!  
If you have a dog and it leaves a  
present,  
Bag it & bin it to make the park  
pleasant!

## Whose poo?

Guess which wild animal did the poo

Droppings are left in clusters of little, round, hard balls. They are usually yellowish-brown or green in colour, and full of grass.
