

Trail Map

Thank you to Dunstable Men in Sheds who took our original idea and made the fairy doors for us.

Thanks also goes to our volunteer crafters who personalised each door and made them look even more amazing.

We couldn't have done it without you!

Each door is indicated on the map by a fairy
remember the doors will be hidden so you will have to look well!

Gary the Environment Goblin

Gary the goblin loves his home,
The lovely green fields, lots of places to roam,
Although many goblins like to live in a bog,
Gary loves the park as it's free from smog,
Too many cars on the road make the air hazy,
Walk or cycle to the park, don't be lazy!
